

HIGHWAY MARKING TAPES**Series 100, 200, 1000, 2000 XRP, & Delta-Line****1. Product and Company Identification**

Product Identifiers: Series 100, 200, 1000, 2000 XRP, Delta-Line XRP, Delta-Line TWR, Delta-Line HCL

Product Codes: 100, 101, 200, 201, 1000 White, 1000 Yellow, 2000 XRP, Delta-Line XRP, Delta-Line TWR, & Delta-Line HCL

Manufacturer:
BRITE-LINE® TECHNOLOGIES, LLC
10660 East 51st Avenue
Denver, CO 80239

Emergency Telephone Number:
1-303-375-1293

2. Composition/Information on Ingredients

<u>Components</u>	Wt. %	CAS #
Inorganic Components	30-50	N/A
Organic Components	2-10	N/A
Polymeric Components	40-60	N/A

3. Hazards Identification

OSHA Hazardous Components (29 CFR 1910.1200) Exposure Limits

No hazardous components

4. First Aid Measures

The following first aid recommendations are based on an assumption that appropriate personal and industrial hygiene practices are followed.

Eye Contact:

Flush with large amounts of water. If signs or symptoms persist, get medical attention.

Skin Contact:

Wash effected areas with soap and water. If signs or symptoms develop, get medical attention.

Inhalation:

Inhalation is not an expected exposure condition.

If Swallowed:

No need for first aid is anticipated.

5. Fire Fighting Measures

Fire Extinguishing Media: Foam, dry chemical, or water.

6. Accidental Release Measures

N/A

7. Handling and Storage

Store at room temperature

8. Exposure Controls/Personal Protection

Under normal conditions, no special protection is required.

If skin irritation occurs as a result of handling, wash affected areas with soap and water and wear protective clothing to avoid future irritation.

9. Physical and Chemical Properties

Specific Physical Form:	Roll of Tape	Color:	White or Yellow
General Physical Form:	Solid	Odor:	Minimal
Auto ignition Temperature:	No Data Available	Flash Point:	N/A
Flammable Limits – LEL:	N/A	Flammable Limits – UEL:	N/A
Boiling Point:	N/A	Melting Point:	No Data Available
Solubility in Water:	None	pH:	N/A
Volatile Compounds:	None	Evaporation Rate:	N/A
Vapor Density:	N/A	Vapor Pressure:	N/A
Viscosity:	N/A	Specific Gravity:	N/A

10. Stability and Reactivity

Stability:	Stable
Materials and Conditions to Avoid:	None known
Hazardous Polymerization:	Hazardous polymerization will not occur

11. Toxicological Information

N/A

12. Ecological Information

Not a hazardous waste as designated by U.S. EPA regulations (40 CFR Part 261.2).

13. Disposal Considerations

Normal solid waste disposal methods are recommended. Since local regulations vary, consult applicable regulations or authorities before disposal.

14. Transport Information

No special handling required.

15. Regulatory Information

These products are considered an "article" as defined by the Federal Occupational Safety and Health Administration (OSHA) Hazard Communication Standard CFR Title 29-1910.1200 (5) (v) & (6) (xii) (c). Such products are considered exempt from the notice requirements since they do not release or otherwise result in exposure to a hazardous chemical under normal conditions of use.

An article, as defined by the law is:

"A manufactured item: (I) which is formed to a specific shape or design during manufacture; (II) which has end-use functions dependent in whole or in part upon its shape or design during end-use, and which does not release, or otherwise result in exposure to, a hazardous chemical under normal conditions of use".

16. Other Information

The information on this Data Sheet represents our current data and best opinion as to the proper use and handling of this product under normal conditions.

Brite-Line Technologies, LLC makes no warranties, expressed or implied, including, but not limited to, any implied warranty of merchantability or fitness for a particular purpose or course of performance or usage of trade. Any use of the products which is not in conformance with this Material Safety Data Sheet, the Products Technical Data Sheet, or the Products Application Recommendations which involves using the product in combination with any other product or any other process is the responsibility of the user. Due to the infinite variety of factors that can affect the use and application of a Brite-Line product, some of which are uniquely within the user's knowledge and control, it is essential that the user evaluate the Brite-Line product to determine its fit for a particular purpose or application method. It is the user's responsibility to determine if the Brite-Line product is suitable for a particular purpose and application method.

No other information is available.
